Miscellaneous items for SALEGOS meeting, October 2003, Bristol, UK:

The details for the Hotel in Bristol (provided by Martin) follow:

BRISTOL MARRIOTT ROYAL HOTEL

College Green
Bristol BS1 5TA
United Kingdom
Phone: 44 117-925-5100
Fax: 44 117-925-1515

<http://www.marriott.com/dpp/PropertyPage.asp?MarshaCode=BRSRY>

The hotel is located close to the University. To get to the School of Geographical Sciences from there, simply walk up the hill toward the gothic-looking tower at the top of the hill (the University's Will's Memorial Building). Go to the base of the tower. When at the tower walk to the left, turning right at the first road (Brown's restaurant is on the corner), to University Road. The Geography building is half-way up University road on the right.

Alternatively, wait 'till you see Cynan Ellis Evans, who's been here several times!

The hotel have been given your names, so you should check in with as normal. Apart from John Priscu (who is arriving on Sunday), I have told the hotel that you will all arrive on Monday (13th) and leave on Thursday (16th). Please let me know if this is not the case and I will change the details.

SCAR will pay the hotel and breakfast (but not your bar bill). We will take dinner together (which SCAR will deal with also) and lunch will be provided for at our meeting room.

A laptop and data-projector have been booked.

If there are any further things you need information on, or help with, please contact Martin.

Just for information about eating next week. We will all be taking breakfast at the hotel. We will have sandwiches for lunch brought into the department for us. For coffee, we can either stay in the department or go off to one of the many cafes around the university.

Monday night dinner (18:30 h): The Hope & Anchor. tradition English pub food followed (and/or preceded) by a trip to the Bag O'Nails
